Welcome

Steelite International's extensive collection of Melamine products offer exciting and innovative display solutions and service pieces to all dining and retail markets.

Made from premium heavyweight melamine, our tableware, buffet and counterserve ranges provide the perfect platform to present hot, cold, wet and dry food types in chic and unique ways.

Our Melamine ranges fall under two umbrellas'. Those designed and manufactured by our partner company Elite Global Solutions (EGS), and those designed by Steelite. The stunning collections designed by Steelite can be identified by the Creations by Steelite backstamp, which also identifies the origin source.

The development of our Creations by Steelite ranges enhances our commitment to offering excellent quality products that can fulfil the gaps that ceramic products cannot.

Tableware

Tableware ranges are perfect solutions to challenging service environments such as leisure and poolside, hospitals and schools, but also ideal for casual restaurants where themed menus and dining requires an alternative presentation.

Our natural and earthy pieces from the Scape collection reflect the growing desire to merge dining experiences from indoors to the outdoors, making them not only practical but also trendy pieces to enhance presentation.

Our Freedom range of tableware with its two tone colour contrast is a vibrant and warm collection that will brighten up any meal service within all hospital or school environments, whilst aiding independence in eating.

Buffet & Counterserve

Buffets are a feast for the eyes, and displaying food in an attractive and stylish manner can sometimes be difficult. Steelite's melamine collection has a wide range of trays, platters, bowls and risers to enhance visual appearance and functionality of any buffet display.

The Craft gastronorm platters are stylish and practical, and with the addition of covers add a dramatic presentation that allows items to be stacked, offering a space saving solution.

Using Sheer bowls in conjunction with the rubber pedestals allows presentations to be elevated, creating a counter serve display that not only looks good, but also practical.

melamine with convenient stackability

A great addition to the Creations Melamine collection is Cali. Designed for stacking, these bowls are perfectly sized to fit in the wooden Rintang Carrier for ease of service. Ideal for small appetizers, sides, desserts and more, Cali is available in four colours and features a versatile stacking lid to keep your dishes covered.
